HOW TO ORDER

Tired of playing the same old gear you can get in every store? How about having a truly one-of-a-kind instrument made especially for you? Choose from a selection of high class pickups, a wide array of wood for the top and the fretboard, inlays and position markers of your own design, custom colours, locking tuners, D-Tuners, Q-Parts knobs... It's all available in Mayones to create the one-and-only guitar - **Your Guitar!**

Believe it – personalizing does not need to cost an arm and a leg nor take ages. Every Mayones model comes with a list of dedicated custom options, which makes the customization process fast and affordable. Simply contact our official dealer in your country or our International Sales Team directly and enjoy your custom-built instrument, handmade according to Mayones quality standards.

How does Mayones Custom Shop work?

The idea of Mayones Custom Shop is to build a Mayones guitar or bass according to your desired specification. Mayones Custom Shop instruments base on the body shapes available in our regular offer and come with the list of dedicated customization possibilities.

How do I order a Mayones Custom Shop instrument?

Although there are so many Custom Shop options available, ordering process is a simple step-by-step

1. Choose your favourite model from the regular Price List (see pages 2 – 3).
2. Decide what custom modifications available for the selected instrument you would like to take. The chosen options will determine the final price of the instrument and its delivery time.
3. Fill in the Order Form on the next page and send it for pricing to Mayones International Sales or Mayones Distributor in your country.

Remember to attach the design of your custom inlay design for confirmation if you opt for one! We accept the following graphics formats: font files (for text inscriptions), Corel Draw vector files (detailed designs) or jpg, tiff (simple symbols).

When you receive a confirmation of your order arm yourself with a little patience and a few weeks later you will enjoy your dream Mayones guitar!
